2026-27 COMMUNITY SPONSORSHIP

Dear Community Partner,

On behalf of the Figure Skating Club of the Quad Cities (FSCQC), I invite you to partner with us during our 2026-27 skating season. FSCQC is a 501(c)(3) nonprofit organization dedicated to providing local skaters with opportunities to learn, grow, compete, perform, and build confidence both on and off the ice.

Figure skating is a beautiful sport, but it is also an expensive one. Ice time alone costs our club approximately $300 per hour. Sponsorship support helps us offset those costs while providing athlete-development opportunities, guest coaching, club programming, our annual holiday ice show, financial assistance, and the QC Victory Skate, which welcomes approximately 325 skaters to our community.

We have sponsorship opportunities beginning at just $100, with recognition options designed to give local businesses meaningful visibility while directly supporting area athletes. Whether your business joins us at the Bronze, Silver, Gold, or Platinum level, your partnership helps make these opportunities possible.

We would be honored to have your business join the FSCQC community this season. Enclosed you will find our sponsorship opportunities, information about the impact of your support, and a simple commitment form.

Thank you for considering an investment in our skaters and in the future of figure skating in the Quad Cities.

Warmly,

Krystal Withem
President, Figure Skating Club of the Quad Cities
